

## Prevention and Early Intervention Instruction in Grades K – 3

### WILSON Foundations Introductory Workshop

Foundations provides a research-based supplemental (Tier I) and intervention (Tier II) program for students in kindergarten through third grade. The Foundations Introductory Workshop provides a practical, how-to overview of the Foundations program. This five-hour workshop prepares teachers beginning to use the program and is also appropriate for reading support personnel, such as coaches.

#### Workshop Topics

- Underlying principles of Foundations
- How the Foundations' daily lesson plan and activities address the five areas of reading, teach the principles of language structure, and incorporate direct, multisensory methods
- Practical guidelines for implementation
- Participants write lesson plans and practice lesson activities
