SUBJECT: Staffing Announcement – Shirley Kendrick

Further to the announcement of Louise Sirisko's appointment to the York Region District School Board, I am very pleased to announce that Shirley Kendrick will be moving from the Curriculum Assessment and Student Success Policy Branch to lead the Special Education / Success for All Branch on January 15, 2018.

Shirley was seconded to the Ministry of Education by the Dufferin-Peel Catholic District School Board from her role as Superintendent, Special Education and Support Services. During Shirley's career she has led and supervised the development and implementation of Board-wide programs, and ensured system support for creativity and innovation in teaching and learning through emerging technologies. Shirley's leadership and depth of experience from her school board experience and from her work leading the Curriculum Assessment and Student Success Policy Branch will be an asset to the Student Support and Field Services Division.

We are very excited to have Shirley join our team in the Special Education / Success for All Branch. Please join with me in welcoming Shirley to her new role as Director, Special Education / Success for All Branch.

Sincerely,
