**Policy/Program Memorandum and the
Guidelines on Learning Disabilities**

Key Messages

Learning Disabilities Working Group

March 6, 2012

March 6, 2012 LDWG Meeting Key Message

- In line with its mandate, the Learning Disabilities Working Group provided feedback on a revised draft of the Policy and Program Memorandum on Learning Disabilities for the ministry of Education's consideration.
- This revised draft incorporated feedback from members provided during the January 20th meeting.
- Members provided suggestions on the content of the PPM.
- Focus of the feedback was to ensure consistency of implementation of the revised PPM across the province.

March 6, 2012 LDWG Meeting Key Messages

- A draft version of the *Guidelines for Special Education Programs and Services for Students with Learning Disabilities* was shared with the LDWG.
- The Guidelines are intended to promote consistency in the implementation of effective practices relating to the delivery of special education programs and services for students with learning disabilities.
- The LDWG reviewed the draft Guidelines and provided feedback to the ministry of Education. The ministry will take this feedback under consideration in developing the next draft.
