Brought To You By:

The Science Behind Learning Disabilities

In this presentation, Dr. John McNamara will present the latest information about what learning disabilities are, the underlying causes of learning disabilities, and how we can think about how to effectively support children and youth with learning disabilities.

Dr. John McNamara

Mental Health And Learning Disabilities

In this interactive and experiential presentation, we will discuss how mental health challenges emerge, how they are expressed, and the relationship between mental health and Learning Disabilities. Participants will gain insight into their child's lived experience and concrete strategies for how to support their well-being.
